THE GENERAL COUNCIL OF THE CONGREGATIONAL AND CHRISTIAN CHURCHES

By action of the National Council of Congregational Churches and of the General Convention of the Christian Church, unanimously taken in each instance, a plan of union of the two denominations has been adopted. This plan contemplates complete union into a single body at the earliest feasible date. In the meantime the plan provides for immediate practical unity.

Historically the Christian churches and the Congregational churches alike maintain the local independency of the congregation. With equal earnestness each group provides for taking counsel together and for cooperation in Christian enterprises. The plan of union therefore provides for these two things through common meetings and common missionary activity. The basis of this new relationship is set forth in the plan of union in the following words: 'The basis of this new relation shall be the recognition by each group that the other group is constituted of the followers of Jesus Christ. Each individual church and each group of churches shall be free to retain and develop its own form of expression. Finding in the Bible the supreme rule of faith and life, but recognizing that there is wide room for differences of interpretation among equally good Christians, this union shall be conditioned upon the acceptance of Christianity as primarily a way of life, and not upon uniformity of theological opinion or any uniform practice of ordinances."

The General Council of the Congregational and Christian Churches will be called to meet, adopt a constitution, and organize in 1931. This will provide for counselling together and means that the major portion of the meetings of the National Council of Congregational Churches in 1931 will be held in common with the General Convention of the Christian Church. This plan, however, will give opportunity for each body to meet separately for necessary legal business. This plan also provides for the missionary activities of both groups at home and abroad, the merging of publications and all other common activities. The initial steps in that direction have already been taken and the final steps are in contemplation.

Just as either Congregational or Christian churches are quite free to determine the degree of local fellowship and cooperation so, as between the groups, there may be as much or as little coming together as circumstances and desire may dictate. Already, however, in a number of states and local areas union meetings are being held with joint programs, and practical plans are being made for union. The Executive Committee of the General Council is functioning, and the Advisory Commission is rendering assistance to churches, associations and conferences, as desired.

Under the plan of union provision was incorporated for the immediate combination of the *Congregational Year-Book* and the *Christian Annual*. This volume is therefore the first edition of this combined compilation of statistics and information. Complete unification is contemplated in the near future. This can be more readily accomplished when a greater degree of unity in state organizations is completed. In the meantime the schedule for the Christian churches is published as a unit, and under other categories information of the two denominations is placed in juxtaposition. Reference to the index will show location of any desired information. It will be found, for example, that under finances, the roster of officers, and necrology of ministers, the data for the Christian churches follows that for the Congregational churches.

This combined *Year-Book* and *Annual* is an evidence of the reality of the union and at the same time a very practical means of acquaintance between the two fellowships.

THE NATIONAL COUNCIL

OF THE CONGREGATIONAL CHURCHES OF THE UNITED STATES.

Organized Oberlin, Ohio, Nov. 17, 1871. Corporation for the National Council of the Congregational Churches of the United States, chartered in Connecticut, 1909.

287 Fourth Avenue, New York

STATEMENT OF FAITH

ADOPTED AT KANSAS CITY, 1913

The Congregational Churches of the United States, by delegates in National Council assembled, reserving all the rights and cherished memories belonging to this organization under its former constitution and declaring the steadfast allegiance of the churches composing the Council to the faith which our fathers confessed, which from age to age has found its expression in the historic creeds of the Church universal and of this communion, and affirming our loyalty to the basic principles of our representative democracy, hereby set forth the things most surely believed among us concerning faith, polity and fellowship.

FAITH

"We believe in God the Father, Infinite in wisdom, goodness and love; and in Jesus Christ, His Son, our Lord and Saviour, who for us and our salvation lived and died and rose again and liveth evermore; and in the Holy Spirit, who taketh of the things of Christ and revealeth them to us, renewing, comforting and inspiring the souls of men. We are united in striving to know the will of God as taught in the Holy Scriptures, and in our purpose to walk in the ways of the Lord, made known or to be made known to us. We hold it to be the mission of the Church of Christ to proclaim the gospel to all mankind, exalting the worship of the one true God, and laboring for the progress of knowledge, the promotion of justice, the reign of peace, and the realization of human brotherhood. Depending, as did our fathers, upon the continued guidance of the Holy Spirit to lead us into all truth, we work and pray for the transformation of the world into the Kingdom of God, and we look with faith for the triumph of righteousness and the life everlasting.

POLITY

"We believe in the freedom and responsibility of the individual soul, and the right of private judgment. We hold to the autonomy of the local church and its independence of all ecclesiastical control. We cherish the fellowship of the churches united in district, state and national bodies, for counsel and cooperation in matters of common concern.

THE WIDER FELLOWSHIP

"While affirming the liberty of our churches, and the validity of our ministry we hold to the unity and catholicity of the Church of Christ, and will unite with all its branches in hearty cooperation; and will earnestly seek, so far as in us lies that the prayer of our Lord for His disciples may be answered, that 'they all may be one'."

PURPOSE

"The purpose of the National Council is to foster and express the substantial unity of the Congregational churches in faith, polity and work; to consult upon and devise measures and maintain agencies for the promotion of their common interests; to cooperate with any corporation or body under control of or affiliated with the Congregational churches, or any of them; and to do and to promote the work of the Congregational churches of the United States in their national, international, and interdenominational relations."

MEMBERS

"The voting membership of the National Council is made up as follows: 'The churches in each District Association shall be represented by one delegate. Each Association having more than ten churches shall be entitled to elect one additional delegate for each additional ten churches or major fraction thereof. The churches in each State Conference shall be represented by two delegates, one of whom shall be a woman. Each Conference having churches whose aggregate membership is more than ten thousand shall be entitled to elect two additional delegates for each additional ten thousand members or major fraction (i.e., 5,001 or more) thereof, one-half of whom shall be women. States having associations but no conference, or vice versa, are entitled to their full representation.

The Secretary and the Treasurer are members *ex officiis* of the Council.

MEETINGS

Meetings of the National Council are held biennially, the meeting of 1931 occurring at Seattle, Wash., in the early summer.

NATIONAL COUNCIL ORGANIZATION

As the name indicates the National Council is a voluntary organization of Congregational churches of the United States for the purpose of conference regarding their common interests.

The central function of the National Council is to provide a gathering for useful discussion of questions of concern to the churches and so to furnish inspiration for increased devotion and effectiveness.

Associated with the function of discussion and inspiration is that of the election of officers and agencies for carrying on the common work of the churches.

Specifically the Council provides for gathering and publishing annually the statistics for the churches as given in this Year-Book.

For the purpose of stimulating the fellowship of the churches and of coordinating the various agencies, an office is maintained, with a Secretary supported by such associates and assistants as seem to be needful.

Between the sessions of the Council an Executive Committee chosen by the Council attends to details of business, arranging for the meetings and submitting programs for the same. This Committee is also the agency for correlating the activities of the several Commissions.

THE CORPORATION FOR THE NATIONAL COUNCIL

The Council has caused to be incorporated under the laws of Connecticut a Corporation consisting of members elected by the National Council for the purpose of holding the property of the Council, any trust funds committed to the Council and any funds or property entrusted to it by any Congregational church organization. The Corporation now holds in addition to smaller funds belonging to the Council the Pilgrim Memorial Fund for the endowment of the pension system under the Annuity Fund for Congregational Ministers.

This Corporation is prepared to serve with full dependability any of our Congregational interests requiring a trustee. (See page 22.)

THE BOARDS OF THE NATIONAL COUNCIL

The Council has caused to be created three administrative boards which are now responsible to it, namely, the Congregational Board of Ministerial Relief, the Annuity Fund for Congregational Ministers, and the Congregational Foundation for Education. For statements of the organization and activities of these boards see pages 26, 29, 30.

THE COMMISSIONS OF THE NATIONAL COUNCIL

Ad interim committees of the National Council, except the Nominating Committee and the Executive Committee, are designated as Commissions.

The functions of the Commission on Missions are to correlate the administration of the several missionary societies and boards affiliated with the Council in the interest of economy and efficiency, and to promote the appeal for benevolent funds. Through this Commission it is possible for the Council to keep in touch with the wide range of benevolent activity of the Congregational churches. (See page 20.)

The Commission on Evangelism and Devotional Life maintains an office with an employed staff. Its name indicates the general field in which it operates (see page 21). There are several other Commissions, none of them being charged with executive functions to any extent but rather with study and report, each in its own field, with such cooperation with the executive agencies of the denomination as seems feasible. A full list of the Commissions is given on pages 11-15.

MISSIONARY SOCIETIES AND THE NATIONAL COUNCIL

All but one of the Missionary Societies antedate in organization the National Council itself. They were organized as self-perpetuating corporations. Technically this is still true, but practically all the general Missionary Societies have as their controlling membership the membership of the National Council itself. Meeting in separate sessions under the direction of their own officers, the membership of each of these Societies is in large majority identical with that of the National Council, so that in matters of common concern action taken by the National Council may usually be taken by each of the societies without further discussion, thus giving unity of operation in matters of common concern and making the Missionary Societies the instruments of the churches themselves.

THE PRINCIPLES AND ORGANIZATION OF THE CHRISTIAN CHURCH

The following Principles are generally accepted and proclaimed by the Christian churches. There is no uniform phrasing of them, however.

PRINCIPLES

I. Christ the only Head of the Church.
II. Christian a sufficient name for the followers of Christ.
III. Christian character the only basis or test of fellowship and membership.
IV. The Holy Scriptures our only creed.
V. Individual interpretation of the scriptures, the privilege and duty of every believer.
VI. The union of all the followers of Christ.

These six Principles have frequently been summed up in this one **basic principle:**

"The Church of Christ is One; it embraces all those who have been accepted of Christ as his real disciples; and, in its whole and in its parts, it should be so **organized, named,** and **governed** as to include all and exclude none of those whom Christ has so accepted."

ORGANIZATION

The local church is the unit. A group of local churches, associating themselves together for fellowship and mutual helpfulness, constitute a **conference.** Conferences ordain ministers. The membership of conferences consist of their ministers and of delegates elected by the churches. The membership of the General Convention consists of the members of the General Board, delegates elected by the local conferences, presidents of conferences and regional conventions. The conferences meet annually. The General Convention meets quadrennially.

General Board: Officers of the General Convention; members of the Mission, Christian Education, Publications, Evangelism and Life Service, and Finance Boards; editors, managers, administrative and field secretaries; presidents of institutions of learning; president of the Woman's Mission Board. There are about fifty members. The Board meets annually, and when in session, it is the General Convention ad interim.

Executive Committee consists of the four general officers and the executive secretaries of the six boards.

Mission Board has two departments—home and foreign—with six members directing each department.

Afro-Convention is represented in the General Convention by its general officers and by elected delegates.

Future representation in the united body, The General Council of the Congregational and Christian Churches, will be as provided for in paragraphs II, III, IV of the "Plan of Union."

Regional Conventions—A number of conferences in a territory have united themselves into regional conventions, as follows: New England, Metropolitan, Central, Western, and Southern. These meet at intervals between the meetings of the General Convention for fellowship, inspiration, and for the development of the work in their respective territories.

Additional Agencies: Board of Control to manage Franklinton Christian College (Afro); Woman's Mission Board; Bureaus of Christian Stewardship, Ministerial Supply, Social Service; Commission on Christian Unity.

Institutions of Learning: Defiance College and the Christian Divinity School, Defiance, Ohio; Elon College at Elon College, N. C.; Palmer College (Junior), Albany, Mo.; Union Christian College (inactive), Merom, Ind.; Palmer Institute-Starkey Seminary, Lakemont, N. Y.; Bethlehem College (Piedmont Junior), Wadley, Ala.; Franklinton College (Afro), Franklinton, N. C.

The Christian Publishing Association is a corporation for the publishing of religious books, tracts, and periodicals. It has the same membership as the General Convention, and meets at the same time and place as the Convention. Its Board of Trustees and the Board of Publications of the General Convention are the same persons.

A STATEMENT OF SOCIAL IDEALS

Adopted by the National Council of the Congregational Churches of the United States, October 24, 1925.

We believe in making the social and spiritual ideals of Jesus our test for community as well as for individual life; in strengthening and deepening the inner personal relationship of the individual with God, and recognizing his obligation and duty to society. This is crystallized in the two commandments of Jesus: *"Love thy God and love thy neighbor."* We believe this pattern ideal for a Christian social order involves the recognition of the sacredness of life, the supreme worth of each single personality, and our common membership in one another—the brotherhood of all. In short, it means creative activity in cooperation with our fellow human beings, and with God, in the everyday life of society and in the development of a new and better world social order. Translating this ideal

I. Into Education Means:

1. The building of a social order in which every child has the best opportunity for development.
2. Adequate and equal educational opportunity for all, with the possibility of extended training for those competent.
3. A thorough and scientific program of religious and secular education designed to Christianize everyday life and conduct.
4. Conservation of health, including careful instruction in sex hygiene and home building, abundant and wholesome recreation facilities, and education for leisure, including a nation-wide system of adult education.
5. Insistence on constitutional rights and duties, including freedom of speech, of the press, and of peaceable assemblage.
6. Constructive education and Christian care of dependents, defectives, and delinquents, in order to restore them to normal life whenever possible, with kindly segregation for those who are hopelessly feebleminded. (This means that such institutions as the jails, prisons, and orphan asylums should be so conducted as to be genuine centers for education and health.)
7. A scientifically planned program of international education promoting peace and good-will and exposing the evils of war, intoxicants, illiteracy, and other social sins.

II. Into Industry and Economic Relationship Means:

1. A reciprocity of service—that group interests, whether of labor or capital, must always be integrated with the welfare of society as a whole, and that society in its turn must insure justice to each group.
2. A frank abandonment of all efforts to secure something for nothing, and recognition that all ownership is a social trust involving Christian administration for the good of all and that the unlimited exercise of the right of private ownership is socially undesirable.
3. Abolishing child labor and establishing standards for the employment of minors which will insure maximum physical, intellectual and moral development.
4. Freedom from employment one day in seven, the eight-hour day as the present maximum for all industrial workers.
5. Providing safe and sanitary industrial conditions especially protecting women; adequate accident, sickness, and unemployment insurance, together with suitable provision for old age.
6. An effective national system of public employment bureaus to make possible the proper distribution of the labor forces of America.
7. That the first charge upon industry should be a minimum comfort wage and that all labor should give an honest day's work for an honest day's pay.
8. Adequate provision for impartial investigation and publicity, conciliation and arbitration in industrial disputes.
9. The right of labor to organize with representatives of its own choosing and, where able, to share in the management of industrial relations.
10. Encouragement of the organization of consumers' cooperatives for the more equitable distribution of the essentials of life.

11. The supremacy of the service, rather than the profit motive in the acquisition and use of property on the part of both labor and capital, and the most equitable division of the product of industry that can be devised.

III. Into Agriculture Means:

1. That the farmer shall have access to the land he works, on such terms as will insure him personal freedom and economic encouragement, while society is amply protected by efficient production and conservation of fertility.
2. That the cost of market distribution from farmer to consumer shall be cut to the lowest possible terms, both farmers and consumers sharing in these economies.
3. That there shall be every encouragement to the organization of farmers for economic ends, particularly for cooperative sales and purchases.
4. That an efficient system of both vocational and general education of youths and adults living on farms shall be available.
5. That special efforts shall be made to insure the farmer adequate social institutions, including the church, the school, the library, means of recreation, good local government, and particularly the best possible farm home.
6. That there shall be a widespread development of organized rural communities, thoroughly democratic, completely cooperative, and possessed with the spirit of the common welfare.
7. That there shall be the fullest measure of friendly reciprocal cooperation between the rural and city workers.

IV. Into Racial Relations means:

1. The practice of the American principle of the same protection and rights for all races who share our common life.
2. The elimination of racial discrimination, and substitution of full brotherly treatment for all races in America.
3. The fullest cooperation between the churches of various races, even though of different denominations.
4. Educational and social equipment for the special needs of immigrants, with government information bureaus.

V. International Relations means:

1. The removal of every unjust barrier of trade, color, creed, and race, and the practice of equal justice for all nations.
2. The administration of the property and privileges within each country so that they will be of the greatest benefit not only to that nation but to all the world.
3. Discouragement of all propaganda tending to mislead peoples in their international relations or to create prejudice.
4. The replacement of selfish imperialism by such disinterested treatment of backward nations as to contribute the maximum to the welfare of each nation and of all the world.
5. The abolition of military armaments by all nations except for an internal police force.
6. That the church of Christ as an institution should not be used as an instrument or an agency in the support of war.
7. A permanent association of the nations for world peace and good-
that it is only as our churches themselves follow the example and spirit
nations by conference, arbitration, or by an international court.

We believe it is the duty of every church to investigate local moral and economic conditions as well as to know world needs. We believe that it is only as our churches themselves follow the example and spirit of Jesus in the fullest sense—translating these social ideals into the daily life of the church and the community—that we can ever hope to build the Kingdom of God on earth.

These affirmations we make as Christians and loyal citizens of our beloved country. We present them as an expression of our faith and patriotism. We urge upon all our citizens the support of our cherished institutions, faithfulness at the ballot, respect for law, and loyal support of its administrators. We believe that our country can and will make a great contribution to the realization of Christian ideals throughout the world.

HOME MISSIONS AND CHURCH EXTENSION

This department planned to continue its program of service in its various fields throughout this year. It was also decided to share our work with the Congregational Home Boards in Alaska, Western Washington, Arizona, Haverhill, Mass., and among the Negroes in the South. Churches being assisted were urged to come to self support, and one new field was added to our list. Churches have improved their plants during the past year in several fields—Muncie, Ind; Ferguson, Ia.; Piqua, Ohio; Irvington, N. J., Second; Everett, Pa., etc.—and other improvements are in prospect at Brooklyn, N. Y., South Solon, Ohio, Antioch, Ind., etc. Plans were made to liquidate the deficit during this year. Our revised budget should be fully met this year.

FOREIGN MISSIONS

The Foreign Mission Department reported the adoption of an agreement between the Christian and Congregational churches and Missions in Japan, calling for complete union of the two Churches to be entirely consummated by January 1, 1931; property transfers to be made to the united holding body in due time; approved a plan to build a combined church-parsonage and mission home at Ishinomaki; approved the furlough of Miss Victoria Adams from Porto Rico; instructed the Secretary to make proper arrangements with the American Missionary Association for the merger of the Christian and Congregational Churches in Porto Rico; approved the plan of reciprocal transfer of projects with the American Board and cooperation with *The Missionary Herald* in publishing the foreign mission news of the Christian Church; voted to attempt to complete the merger of the Foreign Mission Department with the American Board by September 1, 1930; adopted a total budget (including $7,000 for the Ishinomaki building) of $64,823.84.

MERGING OF PUBLICATIONS

Publications Merger Committee was appointed by the General Board for the purpose of merging and promoting our church and Sunday School periodicals in connection with the church and Sunday School periodicals of the Congregationalists. *The Congregationalist and Herald of Gospel Liberty* have been combined in one periodical, and beginning October 1, 1930, the Sunday School publications will be issued from both church publishing houses with the imprint, "The General Council of the

Congregational and Christian Churches". For further information address: Publications Merger Committee, C. P. A. Building, Dayton, Ohio.

CHRISTIAN EDUCATION

Outstanding actions of the 1929 session of the Board included: Recommendations of ways in which work might merge into the educational program of the united church; Plans for making standards of ministerial training most effective; Plans for emphasis on life service; Provision for conference of young people's leaders in Dayton; Survey of college situation by individual colleges; Promotion of Summer Schools and Leadership Training; Plans for promotion of Toronto Convention; Study of the income of the Board and plans for Rally Day promotion and offering, October, 1930; Expressions of appreciation of the work of Hermon Eldredge and Mrs. F. E. Bullock; Election of Lucy M. Eldredge as Administrative Secretary of Christian Education, with major responsibility in young people's field and charged with supervision of Christian Education office work and promotion of Rally Day and other phases of the work of the Board.

EVANGELISM AND LIFE SERVICE

The Department of Evangelism and Life Service of the Christian Church is definitely committed to educational and personal evangelism as the most effective ways of recruiting our church membership. The church cannot justify itself in being small numerically. A twentieth century evangelistic message, a conservation program, and the deepening of the devotional life center around the commitment of the life to the Jesus way of living. Then, too, more people won for Christ means—more people saved; more people growing to be like Jesus; more Life Service recruits; more people under Christian Education; more soul winners; more missionaries and money for missions; more students and money for our colleges; more readers of our literature; more propagandists of our principles; and a bigger field and working force in Kingdom enterprise.

FINANCE

The Board of Finance apportioned the cost of the *Blue Book and Official Proceedings,* the expense of the *Congregational-Christian Year-Book* to the several boards and agencies; required bonds from all departments and agencies handling benevolent funds; instructed all departments to be reasonably assured of the reliability of their banking institutions; fixed the budget of the General Convention itself at $12,596, and the denominational Benevolence Budget at $200,000.00; voted that the General Convention, Federal Council and Christion Unity offerings be included in one offering the last Sunday in January.

EDITORS

Rev. F. G. Coffin and Hermon Eldredge were elected Associate Editors of the *Congregationalist and Herald of Gospel Liberty;* Mr. Hermon Eldredge was elected Editor of Christian Education literature, and Associate Editor of the Congregational Sunday School publications.

WOMAN'S MISSION BOARD

The Woman's Mission Board of the Christian Church have the following objectives for the year 1929-1930:

1. To continue full and loyal support of our present missionary undertakings through our denominational General Mission Board.

2. To promote an educational campaign for acquainting our people with our enlarged field.

3. To cultivate acquaintance and friendship with our Congregational co-workers, and as fast as possible find ways of full cooperation with them.

4. To strive increasingly to make personal the missionary message and motive to the end that as individuals we shall make every missionary society an honor society, which means compliance with our Standard of Excellence, our aim a Society in every church.

FUNCTIONS

The several missionary organizations are related to the churches through identical membership, namely, that of the National Council. The Commission on Missions is the agency for this interrelationship. Its work is two-fold:

1. *Fostering economy and efficiency.* The Commission is charged with the duty of recommending processes whereby work may be economically and efficiently administered. It serves as a court of reference for the decision of questions arising between two or more societies.

2. *The promotion of income.* Since 1921 the largest activities of the Commission have concerned the raising of missionary funds. For two years this was done in the name of the National Council. At the 1923 meeting of the Council and of the Societies the members of the Commission on Missions were elected by each of the missionary boards as its representative agency for presenting what is known as "the common appeal" for our total missionary work. In 1925 this was enlarged to include the entire promotional work.

ORGANIZATION

1. *Membership.* The Commission consists of the thirty-six elected members of the Home Board, the thirty-six elected members of the Prudential Committee of the American Board and nine members at large, and the Moderator and Secretary of the National Council *ex officiis.* With them sit the chief promotional Secretaries of the Societies, and once each year the State Superintendents.

2. *The Executive Committee.* The details of the work of the Commission are carried forward by a selected Executive Committee, of whose operations the entire Commission is informed through the minutes.

3. *Promotional Council.* For carrying out the plans of the Commission a Promotional Council has been constituted consisting of five representatives of the foreign board, five of the home boards, together with three State Superintendents, the Secretaries of the Commission, the Secretary of the National Council, the Secretary of the Laymen's Advisory Committee, and the Secretary of the Committee on Missionary Education.

4. *Other Committees.* Chief among the other committees of the Commission are the Survey Committee, a Laymen's Advisory Committee, and a Committee on Missionary Education.

PROCESSES

1. *Meetings.* The Commission meets ordinarily but once a year. This meeting takes place in connection with the midwinter gathering of the Home Board and of the Prudential Committee of the American Board, thus economizing in time and travel expenses. The Executive Committee and the Promotional Council meet as occasion requires.

2. *Literature.* One of the important functions of the Commission on Missions is the publication of literature setting forth our entire missionary enterprise.

3. *Field Work.* Under the general direction of the Secretaries a small force of field workers directly employed by the Commission, with the cooperation of the Secretarial forces of the Societies and working through the state organizations, is endeavoring to develop through actual contact with the churches those processes which seem to be most effective for disseminating missionary information and stimulating benevolent contributions. This process is so intimately related to the financial operations of the local churches that this latter interest is combined with the former, thus helping the churches to financial strength.

INFORMATION

The local church may ordinarily secure information directly from its own state office. Persons not knowing to whom to write locally may communicate with the Commission directly.

TALCOTT; DEAN J. E. TAYLOR; REV. CARL H. VEAZIE; FRANKLIN WARNER.

The A. B. C. F. M. is the mother of missionary societies in North America. At its organization in 1810 it was interdenominational, and for a number of years thereafter it maintained that character. As the churches of other denominations organized foreign mission boards of their own, the American Board became the distinctive foreign missionary agency of the Congregational churches. As organized today it is a union of the three Congregational Woman's Boards of Missions and the parent Board.

The American Board maintains missions in East, West and South Africa, China, Japan, India, Ceylon, the Philippines, Mexico, Spain, Bulgaria and Turkey. It works through the church, the school, the hospital, the printing press, industrial and agricultural plants, social welfare centers, the home and the personalities of the foreign missionaries and their native associates.

Missionary work in any country is necessarily shaped to a considerable degree by national characteristics and political trends. The purpose of the American Board and its missionaries is to build up in each land a work in accord with the genius and needs of the people of that country. The wave of nationalism which has swept all oriental countries since the World War has facilitated the assumption of administrative responsibility by the native churches. Civil wars and famine conditions in China, and to some extent in India, as well as the mental unrest which always attends revolutionary periods, have combined in laying almost unbearable burdens upon both missionaries and churches.

Among the outstanding characteristics of the American Board work, the following may be mentioned:

1. Promotion of self-support of churches.
2. The training of native leadership.
3. Readiness to pass the administration of work over to native hands as rapidly as men and women are trained to carry it.
4. A tendency to withdraw from primary educational work, recog-

nizing the provisions of primary schools as an obligation of the government of the land.

5. Cooperation in union work in church and educational institutions. The churches founded by the American Board in South India are now a part of the United Church of South India. The churches fostered by the Shaowu and Foochow Missions in China are a part of the Church of Christ in China. While the churches in North China have not as yet become a part of the Church of Christ in China, the administration of their work is in the hands of a Board of Promotion, and the missionaries cooperate through their membership in Chinese churches rather than as a Mission. The American Board churches in Bulgaria are at present in process of union with the Methodist Episcopal churches of that country.

6. Approval of the organization of individual Boards of Trustees for educational institutions which have reached college grade and require for their maintenance sums of money beyond the ability of a mission board to provide. Throughout the Near and Far East there are today colleges and universities started by the American Board which now operate under independent Boards of Trustees and to a very large extent set the educational standards for the people.

The fiscal year ended August 31, 1929, resulted in a deficit of $50,204.28, due practically wholly to the decrease in gifts from churches as compared with the previous year. A small decrease in income from Legacies and Conditional Gifts was offset by an increase in the income of Funds, and by savings in expenditures. The total receipts were $2,083,548.19, of which $279,818.87 were especially designated gifts not applicable on the budget.

Through the maturing of two large Conditional Gifts during the year it was possible to establish a Conditional Gift Equalization Fund so that the income from these gifts can be equalized over a period of two and one-half years, as is now the case with Legacies. This removes the sharp fluctuations from year to year in income from this source with which the Board has had to contend in planning budgets in the past. The Conditional Gift Equalization Fund was, on September 1st, combined with the Twentieth Century Fund, the Fund which is used to equalize Legacies.

Because of insufficiency in the estimated income for the fiscal year 1929-1930, it was necessary to advise practically all of our Missions that their appropriation for General Work for 1930 is reduced 10 per cent from the amount of the previous year.

Statistical Summary

The American Board is responsible for a foreign parish of 60,000,000 people. There are 17 missions under 12 different flags. The stations connected with these missions number 97 and the outstations 1,641. The missionaries under life appointment are 650 and include 148 ordained men, 76 unordained men, 211 wives and 215 single women. There are 91 associates who are serving for shorter periods, making a grand total of 741 missionaries. The native force of workers is 6,183. Religious services are carried on in 2,828 places. There are 819 organized churches with 102,864 communicants. In 1928, 7,302 members were added to the church rolls. The total Christian constituency numbers 300,249. There are 1,380 Sunday Schools and 80,775 pupils. The educational work has 23 theological and training schools with 1,683 pupils and 11 colleges with 4,166 students. Below these are 80 secondary or middle schools with 12,357 pupils and 1,243 primary and elementary schools with 70,704 pupils. The schools of all grades are 1,357 and the total under instruction is 88,910. The medical statistics show that the Board has 26 hospitals and 56 dispensaries with which are connected 48 physicians and 29 foreign nurses. The record shows that there were 22,761 hospital patients and 165,092 dispensary patients. The total treatments were 435,909 or about 1,200 treatments per day. The native contributions for church work, and for all purposes, amounted to $552,371.

The Foundation for Education

The Congregational Foundation for Education was established in 1921 for the purpose of developing closer relations between the Congregational churches and the colleges and other institutions of higher learning which share in the spirit and ideals of our fellowship, and to make available the resources of that fellowship for the assistance of these institutions through administrative advice and financial aid. As a part of the merger of the Home Boards voted in 1927 by the National Council, the Foundation for Education was merged with the Education Society. Its former organization has been maintained, however, for the purpose of receiving any bequests made prior to the merger. Gifts or bequests for the purpose of its work should now be made as indicated below.

Form of Bequest

I give and bequeath to the "Congregational Education Society," a corporation established under the laws of the Commonwealth of Massachusetts and located at Boston, in said Commonwealth, the sum of..............................dollars, to be devoted to the uses and purposes of said corporation.

If the bequest is to be designated for the Foundation for Education, omit the last clause ("to be devoted to," etc.) and substitute "for the use of its Foundation for Education."

WHAT IT IS AND HOW IT WORKS

The Association represents the brotherly helping hand of the Congregational Christians stretched out to the unprivileged groups of America—particularly the American Highlander, the Negro, Indian, Chinese and Japanese, Porto Rican and Mexican. It remains, as it began, a Crusade of Brotherhood standing in a day of race friction and class discrimination for the undiluted application to human relations of Jesus' way of life.

Upon foundations put down in earlier days by the Association there stand today Hampton, Atlanta and Fisk universities, Berea and Piedmont colleges and such well-known enterprises as the Interracial Movement. It is today, as ever, laying foundations—in institutions, in public sentiment, in individual character. It is demonstrating the possibility of mutual coöperation between the races represented among us for the eradication of injustice, discrimination, animosity and prejudice, and for the upbuilding of a truly democratic and Christian civilization.

Its activities as always are mainly in the field of education. With the development of more adequate tax-supported institutions among the Negroes, work with them yearly becomes more particularly high school and normal training, together with college, seminary and university education. In churches, in Sunday schools, through primary schools, high and normal schools, theological seminaries, technical schools, hospitals and field work the representatives of the Association—Christian Ambassadors of Friendship—are developing leadership; to the end that each racial group may ***advance in cooperation*** with every other toward a more genuine application of the principles of life which distinguish brotherly men of good will.

The great proportion of our graduates among all races now in educational work is significant. So far as is known none of them has ever been in court charged with crime. The degree of self-support achieved is witnessed by the fact that tuitions now paid equal at least ten times the original total budget of the Association and more than one-half of the gifts of all the Congregational churches toward the annual budget.

Speaking for his race, Major Moton recently said: "I doubt if there is any of our leaders who has not been directly or indirectly influenced by The American Missionary Association."

Speaking of the past, James Bryce, honored Viscount, said: "The Negro has made more progress in the last sixty years than the white race in any six hundred years."

Our achievements under God have been substantial. The challenge of the present hour calls for renewed application to our vital task.

The work of The American Missionary Association is described in various booklets and folders which can be secured from any of its offices.

The Annuity Fund for Congregational Ministers provides age annuities for Congregational ministers and incidental protection against the minister's permanent total disability occurring during the years of active service, and for his family in case of his untimely death.

Its resources are derived from payments by the minister himself, from contributions of churches and individuals, from legacies and conditional gifts and from the distributable income of the Pilgrim Memorial Fund.

Any minister now entering membership becomes eligible for an annuity in proportion to the amount to his credit at age sixty-five, or up to age sixty-eight if he so elects. Dues are based upon the annual salary. The member's annual share in the distributable income of the Pilgrim Memorial Fund is credited, after the first year of membership, on his annual dues.

Assets, December 31, 1929, $4,060,899; membership, including annuitants, 2,530; annuity payments, $196,313; Supplementary Fund, supplied through the apportionment, and individual gifts, supplementing the income of the Pilgrim Memorial Fund in payment of full annuities to those now annuitants, or about to become annuitants, $41,361. Honor Roll of churches sharing in the pastor's membership dues, 712.

BEQUESTS

Bequests if designated for the Endowment Fund will be held in trust, for investment and reinvestment, the income to be used in providing annuities for Congregational ministers.

FORM OF BEQUEST

Established by vote of the National Council, Columbus, Ohio, October 13, 1917, as the foundation of the Annuity Fund for Congregational Ministers which supervises the collection of subscriptions and transmits payments to the Corporation for the National Council.

The first minimum objective of $5,000,000 was increased by vote of the National Council, in 1921, to $8,000,000.

The principal of this fund is held in perpetuity by The Corporation for the National Council to be invested and reinvested, and the distributable income, as determined by said Corporation, is turned over to the Board of Trustees of The Annuity Fund for Congregational Ministers to be used to aid in providing Age Annuities and Disability Annuities for Congregational ministers who become members of the Annuity Fund and Death Benefits for their widows and minor orphan children.

OBJECTS

To maintain, in the city of Boston a CONGREGATIONAL HOUSE; to care for and perpetuate a library of books, pamphlets, and manuscripts, and a collection of portraits and relics of the past; to promote friendly intercourse and cooperation among Congregational ministers and churches, and with other denominations: and to do whatever else—within the limits of its charter—shall serve to illustrate Congregational history and promote the general interests of Congregational churches.

MEMBERSHIP

The membership of the Association consists of Congregationalists who have been elected by the Directors at any regular meeting. There are two classes of members—Life and Annual. Annual members pay an annual assessment of $1.00. The payment of $10 at one time by a member constitutes him a life member. All moneys received for membership are applied exclusively to the increase of the library.

THE CONGREGATIONAL HOUSE

Was erected in 1898 (costing over $700,000) to house the Congregational Library, provide rooms at low cost for 14 Congregational Missionary Organizations, the Congregational Book Store, Pilgrim Hall for gatherings, and Committee Rooms, and to promote the general interests of Congregational churches.

THE CONGREGATIONAL BOARD OF PASTORAL SUPPLY

615 Congregational House, Boston

Directors.—Rev. Watson L. Phillips, d.d., Chairman; Appleton P. Williams, Treasurer; George F. Kendall, Auditor; Rev. James W. Bixler, d.d.; Rev. Walter R. Blackmer, Rev. H. J. Chidley, d.d.; Arthur J. Crockett; Rev. William F. Frazier; Rev. John C. Goddard; Rev. Ernest F. McGregor; Rev. C. A. McKay, d.d.; Rev. C. E. McKinley, d.d.; Rev. R. W. McLaughlin, d.d.; Pres. Warren J. Moulton, d.d.; Rev. J. Homer Nelson; Rev. J. E. Newton; Rev. F. H. Page, d.d.; Oscar A. Phelps; Rev. Arthur P. Pratt, d.d.; Rev. E. R. Stearns, d.d.; Irwin W. Tapley.

Secretary.—Rev. Arthur J. Covell.

This Board is maintained and controlled by the Congregational Conferences of the six New England states. It is an advisory agency in aiding pastoral settlements. Its rule is to make recommendations to a church only in response to direct official request. It is the servant of the churches, and is entirely responsible to them.

Our business is to set before the churches clear and impartial and considerate testimonies relative to ministers concerning whom they make inquiries. We give names of men available for the pastorate, if that is desired; and we designate and engage men to preach with reference to settlement whenever that may be left with us. We also furnish temporary or occasional supplies wherever they may be wanted. The Secretary visits churches upon request, supplying the pulpit and meeting the committee of the church.

The Secretary also visits the theological seminaries, that he may, so far as possible, know personally the men of the senior classes who are ready for settlement. And as far as desired, and other duties permit, he speaks before associations of churches and ministerial unions in the interests of the work for which the Board stands.

The work of the office is large and increasing. We have carefully recorded statements concerning more than half of all the Congregational ministers in the country, and of nearly all those in New England. The churches served by us are most largely in the New England states, but our business reaches to almost every state, and passes even a little beyond the bounds of the Union.

The records of our office contain important facts relative to the churches that have corresponded with us. They cover preaching engagements of every sort made through our agency, and they include copies of all letters descriptive of ministerial standing and capacity. Nothing is done that is not put within reach of authorized inspection.

It is not meant that anything should be done as a matter of merely personal favor or disfavor. It is not intended either that the individual judgment of any one person should be much put forward as of decisive weight. In matters concerning ministerial character and capacity it is meant that there should be gathered in, as far as possible, the general judgment of discerning men who have had opportunity or knowledge; and it is the business of the Secretary to place this general judgment as best he can before those who have need to know and the right to know what it is.

The expenses of the Board are borne chiefly by contributions from the churches of New England, through the treasuries of the State Conferences. Fees are charged, however, to ministers for the furnishing of opportunities for the occasional supplying of pulpits, and also for aid in securing pastoral settlements outside of New England. Within New England, there is no settlement fee. No charge is made to churches anywhere. But churches outside of the six cooperating states have often assumed the payment of office fees which might otherwise have been paid by the ministers concerned.

BOSTON SEAMAN'S FRIEND SOCIETY, INC.

Office: 618 Congregational House, Boston

Organized 1827. Incorporated 1829. Reorganized 1922.

On recommendation of the Commission on Missions the Society was reorganized in 1922 and became the sole representative for sailor work of the New England Congregational churches, and is therefore entitled to a regular apportionment from them. The Society's affairs are administered by the representatives named below, chosen by the New England Conferences. The former organization transferred to the new Corporation more than $200,000 worth of real estate and other assets, including land and buildings in Boston and Vineyard Haven and invested funds. The reorganization plans include the extension of the work to first cover all New England and ultimately to become national in its scope.

The Society is devoted to the material, social and religious welfare of seamen of all nations. Has finely equipped Bethels at 287 Hanover St., Boston, and at Vineyard Haven, and reading rooms at Tarpaulin Cove and Cape Cod Canal. The Society provides dormitory accommodations, reading and recreation rooms, pool tables, and games of many kinds, a restaurant, a canteen, shower baths, postal and banking facilities, and a check room for seamen's baggage. Free entertainments and religious services are held weekly. Sick, destitute and shipwrecked sailors are cared for.

ALBERT W. PALMER, *President.*
FRANK G. WARD, *Dean.*
ROBERT CASHMAN, *Business Manager.*

The Chicago Theological Seminary, established in 1855 to furnish training for Christian leadership according to the highest academic standards, is proud of its record as a pioneer in the introduction into the theological curriculum of several unique features designed to meet the changing spiritual needs of succeeding generations. For example, Dr. Graham Taylor was called to the chair of Christian Economics when such a professorship was practically unknown. Recent developments have been in the fields of research in personality problems; in studies of the city and rural church; in culture through art and drama, literature and music; and in the supervision of the practical work of students with a view to their development as leaders of the institutions of religion in the modern world.

The three distinct Schools of the *Hartford Seminary Foundation* offer training for all forms of Christian service. The thirty-acre campus with distinguished buildings gives equipment for nearly 250 courses offered by over forty professors, instructors and lecturers. The Case Memorial Library of 125,000 volumes is one of the greatest theological libraries in the country. All classes are open to both men and women.

The *Theological Seminary* prepares college graduates for the ministry of the Gospel. It uses the resources of modern scholarship in the service of the Christian faith in training for ministerial work. The degree of B.D. is granted for the completion with special credit of the regular course. Degrees of S.T.M. and PH.D. are granted for advanced work.

The *School of Religious Education* trains men and women for positions of leadership in the field of religious education, and provides a thorough practical training for lay workers in other forms of church service. A two-years' course for those who have had two years of college work or are graduates of normal school leads to the degree of B.R.E. For college graduates a more advanced course is offered, leading to M.R.E., M.A., or PH.D.

The *Kennedy School of Missions* furnishes Special Missionary Preparation for missionaries, candidates and appointees of all Mission Boards. It has served most of the large Mission Boards of the United States and Canada. Its alumni are in all the great mission fields. Degrees of M.A. and PH.D. are granted for advanced work.

The Graduate School of Theology provides the opportunity for college graduates to get adequate training for Christian service in the ministry of the church, secretaryship of the Young Women's Christian Association or Young Men's Christian Associations at home or abroad, for leadership in religious education at home or abroad and for Christian social service in city or country communities. Throughout its history, though independent by charter, Oberlin has sustained the most friendly relationship with Congregational churches and work.

Equipment.—The Graduate School of Theology is to have a new "outer garment" in 1930. Plans for a theological quadrangle including recitation, chapel, administration, dormitory, library, social and recreation rooms have been drawn by Mr. Cass Gilbert, and these buildings are to be erected during this year. In addition the School of Theology has the use of the entire equipment of Oberlin College. The college library contains 320,000 bound volumes and an equal number of pamphlets. All the current social and religious magazines are on file. The gymnasium, chapel, Men's Building and Athletic Fields are open for use by the students in the School of Theology.

Terms of Admission.—College graduation and church membership are required. Men and women of any denomination, race, or color are admitted. This year we find fifteen denominations are represented in the student body.

Degrees in Course.—The degree of *Bachelor of Divinity* is granted at the completion of a three years' course covering ninety semester hours of work chosen from a broad range of courses set up in a curriculum which recently has been thoroughly restudied. The degrees of *Arts* and *Master of Theology* are also offered.

Special Assets.—Students in the Graduate School of Theology have the advantage of being a part of the student body of one of the most cosmopolitan colleges in America. They share in the university privileges and the scholarly standards and fine Christian ideals of Oberlin. Oberlin is a center of unique and broad missionary interests, and has contributed largely to the missionary forces of the Congregational Church. The Oberlin Conservatory of Music is one of the leading conservatories of the world, and makes available unusual musical advantages. Oberlin is equipped with a splendid Art Building, a fine Art Library which includes a collection of over 60,000 stereopticon art slides. Living expense is moderate and the generous scholarships and prizes with the opportunities for self-help in the community make self-support comparatively easy.

The College is openly and frankly interdenominational in its attitude and appeals, and students of various denominations are now in attendance upon equal terms. It was organized, however, by Congregationalists and took over undergraduate and foreign work of the Chicago Theological Seminary; its Faculty and Board of Directors are nearly all Congregationalists. It depends primarily for sympathy and financial support on the denomination responsible for its origin and ongoing.

The College is centrally located, adjoining the New First Congregational Church, which offers unusual opportunity for church work and worship. High school graduation is the standard requirement for entrance. The usual seven-year college and seminary curriculum is systematically abridged into four years by selecting the most essential theological and as many college studies as can be provided in the time available.

The ten major branches included are as follows:

(1) The history, contents and use of the English Bible.
(2) Preaching, Evangelism and Pastoral Ministry.
(3) The History of Religion among the Nations.
(4) Christian Faith and Theology.
(5) Religious Education and Social Christianity.
(6) Ancient and Modern History.
(7) English Language and Literature.
(8) The Natural Sciences.
(9) Psychology, Ethics, Philosophy.
(10) Ecclesiastical and Civic Organizations, Denominational Polity, Missions.

The College offers the degree of Bachelor of Theology (TH.B.) to those fully qualified who complete the course in a satisfactory manner and present a thesis of not less than five thousand words on a subject acceptable to the committee on graduation. In no case will the College bestow its degree upon students who have not met the requirements—a high school course or its full equivalent, a satisfactory completion of the course of study, and an acceptable thesis.

ANNUAL STATISTICS OF THE CHURCHES

See last page for last minute revisions.

. The statistics are collected by the registrars of the Conference organizations and compiled in the offices of the National Council and General Convention. They are of date of January 1, 1930, and cover the year 1929: Changes in pastorates are corrected until copy is complete. Such revisions are not involved in the summaries.

The schedules are arranged by conferences rather than by geographical state lines. For example, all the states in the Middle Atlantic Conference are listed under "Middle Atlantic," but with references under the name of each state. The Conference summaries are given at the end of the schedules. Summary I, however, is for the most part continued by states. The clerks' names are given on pages 301-333 with the addition of street or rural delivery addresses where necessary. Names of Sunday School superintendents, church treasurers, treasurers of benevolence and chairmen of boards of trustees, are on file in state offices, as are also certain other data.

Great care is exercised to secure accuracy, but where so many authors and so many details are involved mistakes are practically inevitable. The editors do not attempt to adjust errors and omissions in church reports to make them agree with the reports of the preceding year, but present the data as furnished by the registrars. In the summary tables totals of this year are compared with those of last year to determine losses and gains, which is more satisfactory than to add additions and subtract removals where discrepancies are inevitable.

Persons noting errors are earnestly requested to report the same, especially when the mistakes involve benevolent contributions. Here it should be noted that money received in any national, district or state office to and including January 10, is credited to the preceding year unless otherwise requested.

The first name in the list of churches is usually the name of the town or city in which the meeting house is located. This is also the name of its post office unless followed by a name in **heavy faced** type. If this postal word is an adjective it goes with the preceding name, *e.g.*, Newton, **West,** signifying West Newton. If itself a name it supersedes the other, as "Newton, **Auburndale,"** meaning Auburndale in the town of Newton.

Reference marks are used as follows:

*	Church has parsonage.
‡	Not full time salary but payment for part time service, summer work, and the like.
♯	Contribution amounts to less than 50 cents.
§	For address see alphabetical list.
,	Figures are inserted from last Year-Book.
[]	Brackets around a pastor's name signify "Not a Congregational minister in full standing."
i	Pastor installed by Council.
r	Pastor recognized by Council.
y	Pastor serves more than one church. (See Summary.) A salary so marked is the total from the group.
c	Includes Cradle Roll.
h	Includes Home Dept.
e	Includes Cradle Roll and Home Dept.
b	Includes Branch Sunday School.
z	Gifts on benevolence to objects similar to Nat'l So. causes.

When a church has failed to report, items of church and Sunday School membership and value of church property are inserted from record in the previous Year-Book and marked ||. This is done that these items may be included in the summaries and comparative tables, thus minimizing the danger of falsifying the returns by the failure of churches to report.

The tables are *not a postal guide to the address of ministers.* For addresses refer to alphabetical lists in the back of the book.

Under church "Members" the number "Absent" are included in the figures under "Total."

Amount of "Home Expenses" includes all salaries, together with missionary aid, operating expenses for church, Sunday School, choir and parish, also cost of new buildings, repairs and improvements paid for during 1929.

"Pastoral units" include the total number of pastors of individual churches; pastors serving yoked fields and vacant churches reporting amount of salary. Endeavor has been made to eliminate part time workers, such as students serving during the summer.

The Summaries give important data by states in Table I and national data by years in Table II. The less important items appear in the supplemental summary. Additional totals appear in footings of state schedules.

CHRISTIAN SUPPLEMENTARY SUMMARY

Statistics are collected by the conference secretaries, and compiled in the office of the General Convention. Their accuracy, therefore, depends on the faithfulness and care with which churches report to conferences, and the persistency with which conference secretaries seek reports and their accuracy in tabulating them. It is most important that all churches use the approved Convention report blanks, and that all conference secretaries use the Convention tabulation blanks.

These are the statistics gathered by the 1929 conferences. They do not always harmonize with official Convention reports, for they frequently include items not reported by churches and conferences.

When any church fails to report, it makes our report erroneous. When a clerk is not careful to gather complete reports, our Church appears in a false light before the world. Statistics are to be turned into spiritual life, power, encouragement, service. We sincerely regret that a number of churches made no report to conference this year, and others submitted very incomplete reports, which is reflected in this summary. We thank all those faithful statisticians who realize the high value of their work.

CONGREGATIONAL CHURCH ASSISTANTS

In a growing number of churches specially trained but unordained men and women are engaged to supplement the work of the pastor or pastors. This service is rendered under a variety of titles, and in varied fields. Some are directors of religious education, some church secretaries, some parish visitors, some have a combination of two or more functions. It is evident that there will be a growing demand for workers of this sort as the churches enlarge their conception of the task resting upon them.

A Congregational League of Church Assistants was organized in October, 1915. This League endeavors to be of service to those who are seeking training and to bring together churches and workers. Inasmuch as very few of the existing body of such workers are men, membership in the League is confined to women.

CONGREGATIONAL MINISTERS IN FULL STANDING

Ministerial standing is constituted by ordination and membership in an association or conference of Congregational ministers or of Congregational ministers and churches.

The following is a compilation of the lists furnished by the Conference registrars.

Ministers not in pastorates are indicated by the inclusion of ordination date after address. Information regarding pastor is found in the appropriate place in the state report; refer to state and place for this information. Page numbers are given for those whose names appear in pages 11-80 and on the record of 1929 ordinations, pages 298-299.

An asterisk (*) before a name indicates that the person is not now reported by any Conference registrar. It appears desirable to retain such names for a period of two years in order to give opportunity for completing transfer of membership from one association to another as well as for correction of errors.

A dagger (†) indicates that the address had not been verified.

Names of persons variously employed are indicated by *Ch.*, chaplain; *Ed.*, editor; *Ev.*, evangelist; *My.*, missionary; *P.em.*, pastor emeritus; *Pf.*, professor; *Pn.*, principal; *Pr.*, president; *Sec.*, secretary; *St.*, superintendent; *T.*, teacher; *Tr.*, treasurer; *bus.*, business; *lec.*, lecturer.

Raise Money Wisely---for Your Church

Debt, Improvements, New Building

$30,000,000 in 5 years for 500 churches

To quote a prominent pastor: "You helped us to raise $520,000 where we did not expect over $300,000. Your fee was as modest as your service was satisfactory. You charged us less than a commercial organization charged for helping to raise only $200,000 in a previous campaign."

Your church can raise, for a worthy purpose, from 50% to 500% more than your average officer expects—by a "Churchly" financial campaign, properly organized, managed by one of our consecrated and competent campaign directors, preceded by our unique "Church Loyalty Crusade" program of spiritual preparation and stewardship education.

Established under Presbyterian supervision, we pay "churchly" salaries and no dividends. We render sane and efficient service with greater economy.

Rev. A. F. McGarrah, D. D., Director of this Bureau, has long been recognized as "America's outstanding authority on church problems". His "Modern Church Finance," "Modern Church Management," and other volumes helped to introduce many of the best modern ideas as to church efficiency, both spiritual and financial.

Dr. McGarrah's counsel is available for churches which we serve, without extra charge. Consult him as to your financial problem and possibilities and as to planning for the best results.

The **KILGEN ORGAN** *meets every possible requirement in the* **Country Club Christian Church**

"I cannot refrain from expressing my sincere appreciation of the Kilgen Organ erected for me at the Country Club Christian Church of Kansas City, as a memorial to my wife. Its very purpose necessitated the selection of an organ which would approach perfection. Since hearing Mr. Powell Weaver play its dedicatory recital I feel that this Memorial Organ meets every possible requirement. Its workmanship and tonal qualities are perfect. My entire contact with your organization convinces me of your desire to give the best possible, in every way. . . ."

HOMER H. BERGER.

Great music masters, pastors and prelates, and the people of a thousand congregations know that in the famous Kilgen Organ is an enduring satisfaction, a musical perfecton, an artistic atmosphere, which nothing else can give.

Among the notable Kilgen installations are:

Country Club Christian Church, Kansas City; Pilgrim Congregational Church, St. Louis; University Church of Christ, Des Moines; First Congregational Church, Madison, Wisc.; First Christian Church, Albany, N. Y.; Rogers Park Congregational Church, Chicago.

There is a Kilgen Organ Architect in your vicinity who will gladly advise you, without obligation, as to the proper placing and tonal design for your church.
